### CHAPTER III IMPLEMENTATION OF CAPITAL INVESTMENT IN THE BUSINESS FIELDS

#### Article 7

- (1) Business Fields That Are Open With Requirements as intended in Article 2 paragraph (2) must fulfill the location requirements as set forth in applicable laws and regulations in the field of spatial layout and the applicable laws and regulations in the field of environmental management.
- (2) In the event the Capital Investment license for a Business Field That Is Open With Requirements as referred to in paragraph (1) has specified the location for the business and the investor intends to expand its business with similar business activities outside the location that has been set out in the relevant Capital Investment license, the Investor must fulfill the location requirements as referred to in paragraph (1).
- (3) To fulfill the location requirements as referred to in paragraph (2), the Investor shall not be required to establish a new business entity, unless stipulated otherwise by law.

#### Article 8

- (1) In the event the implementation of Capital Investment activities in a Business Field That Is Open With Requirements as intended in Article 2 paragraph (1) sub-paragraph (c) is carried out indirectly or with portfolio which transaction is conducted through domestic capital market, the Business Field That Is Opened With Requirements as intended in Article 2 paragraph (1) sub-paragraph (c) shall become an Opened Business Field.
- (2) In the event the implementation of Capital Investment activities in a Business Field That Is Open With Requirements as intended in Article 2 paragraph (2) is carried out in a special economic zone, such Business Field shall become an

Opened Business Field, except for Business Fields that are reserved for Micro, Small and Medium Enterprises as well as Cooperatives.

#### Article 9

In the event of change in capital ownership due to merger, acquisition, or consolidation in a Capital Investment company engaging in the same Business Field, the following provisions shall apply:

- a. the limitation of capital ownership for foreign Investor in the Capital Investment company surviving the merger shall be as stated in the Capital Investment license and/or business license of the relevant company;
- b. the limitation of capital ownership for foreign Investor in the acquired Capital Investment company shall be as stated in the Capital Investment license and/or business license of the relevant company; and/or
- c. the limitation of capital ownership for foreign Investor in the new company as a result of consolidation shall be in accordance with the provisions applicable at the time of the establishment of the new company resulting from the consolidation.

#### Article 10

- (1) In the event that the foreign Capital Investment expands the business activity in the same Business Field and such expansion of business activities requires additional capital through the issuance of shares with preemptive rights (*rights issue*) and the domestic Investor cannot participate in such capital increase, the provisions on preemptive rights shall apply to the foreign Investor, in accordance with the provisions of laws and regulations regarding limited liability company.
- (2) In the event the capital increase as referred to in paragraph (1) results in the amount of foreign capital ownership exceeding the maximum limit as stated in the Capital Investment license and/or business license, within a period of two (2) years, such excess of the foreign capital ownership must be adjusted to the maximum limit as stated in the Investment license and/or business license, by the following means:
  - a. the foreign Investor shall sell such excess of shares owned by him to domestic Investor;
  - b. the foreign Investor shall sell such excess of shares through public offer conducted by a company whose shares are owned by the foreign Investor in domestic capital market; or
  - c. the company as intended in sub-paragraph (b) shall purchase such excess of shares owned by the foreign Investor and the shares shall be treated as treasury stocks, by taking into account the provisions of Article 37 of Law Number 40 Year 2007 regarding Limited Liability Company.

## Article 11

The implementation of Capital Investment activities in Business Fields as provided hereunder shall not be prejudice to the obligations of Investors to comply with technical terms and conditions to carry out the business activity as stipulated by:

- a. the technical ministry/agency authorized in the business field of the Capital Investment; and/or
- b. regional government.

## CHAPTER IV MONITORING, EVALUATION AND RESOLUTION OF CAPITAL INVESTMENT ISSUES

### Article 12

- (1) The Minister administering the Government coordination in the field of economy shall conduct the monitoring, evaluation and resolution of issues arising in the implementation of Capital Investment activities in the Business Fields regulated hereunder.
- (2) The implementation of monitoring, evaluation and resolution of issues as intended in paragraph (1) shall be assisted by the National Team for the Enhancement of Exports and Investment which has been formed stipulated by a separate Presidential Decree.

## CHAPTER V TRANSITIONAL PROVISION

### Article 13

The provisions on the implementation of Capital Investment activities in Business Fields regulated hereunder shall not be applicable to Capital Investment in certain business fields that have been approved prior to the promulgation of this Presidential Regulation, as set forth in the Capital Investment licenses and/or business license of the company, unless where such provisions are more advantageous for the relevant Capital Investment.

## CHAPTER VI CLOSING PROVISIONS

### Article 14

All implementing regulations of Presidential Regulation Number 39 Year 2014 regarding List of Business Fields That Are Closed and Business Fields That Are Open With Requirements in the Field of Capital Investment, insofar as they are not contradictory to

this Presidential Regulation, shall remain applicable until the issuance of a new implementing regulation based on this Presidential Regulation.
